GUIDELINES FOR STUDENT PARTICIPATION IN SUMMER EXTRA-CURRICULAR PROGRAMMING

On May 22, 2020, Tennessee Governor Bill Lee issued Executive Order No. 38 (“Order”). Within the Order, Gov. Lee modified his previous orders and their corresponding guidelines related to the State’s response to the COVID-19 pandemic. As certain Oak Ridge Schools students, employees, and volunteers return to campus for summer programming on June 1, 2020, the Oak Ridge Schools encourages all students and parents to familiarize themselves with the following guidelines to promote and maintain a healthy environment:

I. **Arrival:**

- Upon arriving on campus for any extracurricular activity over the summer, all students will:
 - Undergo a temperature check (100.4 degrees or greater means the student will be sent home):
 - Note: After a student experiences a high temperature, he/she must produce a note from parents/guardians confirming three temperature-free days in a row before returning to any in-person activities.
 - Answer the following questions (any answer of “Yes” means the student will be sent home):
 1. Have you been coughing for any unexplained reasons?
 2. Have you experienced any difficulty breathing?
 3. Have you been out of the country within the last 14 days? (If so, where?)
 4. Have you been around anyone who has been diagnosed with COVID-19?
 5. Have you been diagnosed with COVID-19?

II. **Social Distancing:**

- **Indoor:** Indoor groups may not exceed 10 people (including both students and adults) while participating in extracurricular activities at any one time while indoors.
- **Outdoor:** Outside groups may not exceed 50 (including both students and adults) while participating in extracurricular activities at any one time while outdoors.
- Oak Ridge Schools encourages smaller groups (10 or less) be utilized when practicable.
- Social distancing of at least 6 feet is encouraged and expected.

III. **Limited Contact:**

- Activity groups will remain the same to assist with contact tracing as needed.
- Activity groups participation times will be staggered as needed.
- Students will not participate in activities requiring physical contact.
- School facilities and equipment will be cleaned and disinfected on a daily basis at a minimum.

GUIDELINES FOR STUDENT PARTICIPATION IN SUMMER EXTRA-CURRICULAR PROGRAMMING

IV. Attendance:

- Only students, employees, and volunteers will be permitted to enter school structures.
- Participation in these activities remains optional. Students will suffer no adverse consequences due to their failure to participate in these optional activities.
- Students must arrive to activities dressed – no changing facilities will be available.
- Students are encouraged to bring drinks and snacks from home.

V. Parent Support

- The Oak Ridge Schools requests that parents assist the district by consistently monitoring their student’s health. If your student has any of the following symptoms, **regardless of severity**, the student should not attend a school activity.
 - Fever or chills (100.4 degrees or higher)
 - Cough (dry cough)
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - New loss of taste or smell
 - Sore throat
 - Congestion of runny nose
 - Nausea or vomiting
 - Diarrhea
