STUDENTS ADMISSION PROCEDURES

Dear Parent or Guardian:

We want to welcome your children to Oak Ridge Schools and wish everyone well in starting their new classes. We welcome you as parents and promise you our dedicated efforts to help your children have a successful educational program.

KINDERGARTEN PRE-REGISTRAION

To help school officials know approximately how many kindergarten children will be enrolling in each school and to simplify registration this summer, we ask that you complete an enrollment form which is available at each elementary school. According to Tennessee State Law, children must reach their fifth birthday by **August 15th** to be eligible for kindergarten. State Law also requires that, prior to attending first grade all children must have attended an approved kindergarten program.

May 6 – May 10 2019 is kindergarten pre-registration and the first step in enrolling your child in kindergarten. **THE REGISTRATION PROCESS IS TO BE COMPLETED ON OR BEFORE JUNE 14TH BY GOING TO YOUR CHILD'S SCHOOL WITH ALL THE REQUIRED INFORMATION FOR ENTERING SCHOOL.** At that time, you will receive important information such as transportation, class materials, school lunch program, etc. relative to your child's school year.

If you move during the summer to another school in the Oak Ridge school district, you should call the school office to request that your child's registration form be sent to the school in the district into which you have moved.

REQUIRED ADMISSION INFORMATION FOR ALL STUDENTS IN K-12

When you come to your child's school to register, please bring the following:

1. Child's birth certificate (a certified copy for school records, not the hospital copy or Mother's copy).
2. Child's social security number or a copy of the card – **optional**.
3. The Tennessee Certificate of Immunization available from your doctor or Health Department consisting of two parts **which must be completed to begin school**.
 - A. **IMMUNIZATIONS:**

A Tennessee Certificate of Immunization shows the complete dates (month, day & year) the immunizations were administered.
 - B. **HEALTH EXAMINATION:**

A physical examination is required for all children entering Tennessee schools (K-12). Oak Ridge schools require a physical examination current since January 1st of the year the student will enter kindergarten. Students transferring to Oak Ridge from another state must present a physical examination current within one year from date of enrollment.
4. **(GRADES 1-12)** Provide the name, address and phone number of the school(s) where your child previously attended or provide report cards and withdrawal form.
5. **(GRADES 9-12)** Parents must call the Oak Ridge High School guidance office at (865)425-9607 to schedule a conference with a counselor.

Dear Woodland Parent:

We are introducing a new payment method in our school cafeteria. Students will now be allowed to purchase lunch by having their fingerprint scanned instead of using their ID cards. This new system is intended to help improve the efficiency, accuracy, speed, and cost-effectiveness of this process. This technology will not store your student's fingerprint in our system. Rather, the software converts your student's fingerprint into a mathematical algorithm which will remain in the system after the fingerprint is initially scanned. More simply, the fingerprints scanned from each student are converted to a set of numbers and those numbers are used to identify each student. There are no fingerprint images saved to the computer system.

In addition, both parents and students can rest assured that the biometric images cannot be used by law enforcement for identification purposes. The fingerprint scanner will help to expedite the process to get students their lunches and also eliminate potential for replacement cost of the ID badge. Our goal is to utilize this new technology as a means to best serve our students and families while also making sure we are protecting our student information.

In order for your student to participate in this new pilot program, Tennessee law requires your active consent. Please complete the form below and turn it into your homeroom teacher no later than Friday, February 28, 2020. If you consent to your student participating in this pilot program and the use of the fingerprint scanning device, indicate same and sign below. If you do not want your student to participate, please indicate same and sign below. Consent may be revoked at any time by providing notice to *Woodland Elementary School* administrators, in writing.

Respectfully,

Woodland Administration

I DO consent to my student's participation in the fingerprint scanner payment method as described above.

I DO NOT consent to my student's participation in the fingerprint scanner payment method as described above. I understand that my student will continue to use his/her ID card to pay for school lunch.

Introduction to Parents

Our school is about to implement state of the art identification equipment to protect your son or daughter from identity fraud. This new form of identification uses the finger and its image to uniquely identify. When we enroll a finger, we do take a variable amount of measurements and the style of the fingerprint. These measurements and style of fingerprint get converted to a number which gets encrypted and stored. If decrypted and given to someone, this someone cannot reverse the process since many variables are not present and no measurements, identifiers, or images are stored.

This form of identification is called Biometrics, which translated means measurements of human characteristics. **This is not fingerprinting.** Biometric measurements are used to create this enrollment; however, they are converted to something else entirely, "A number."

The system is one directional. Without the finger being placed on the reader, we have no knowledge of style of fingerprint or how many measurements went into the matching process to create this unique numeric.

Once this system is implemented your son or daughter is in complete control of their own identity. They only can be identified by placing their finger on the reader. This dramatically protects them from losing an id number or sharing that number with other students. If you have additional questions about the system, please contact us or the manufacturer.
