The Oak Ridge Board of Education approved Human Sexuality program, designed for students in grade 8, provides age-appropriate information on the emotional, social, and physical aspects of growing up. Information on sexually transmitted diseases, refusal skills, abstinence and HIV-AIDS is also included. Students will remain in the same classroom, unlike when boys and girls were separated in the 6th grade program. The program will be provided during Physical Education Class on the following dates: 3/4/2019 and 3/5/2019. The information will be presented by Mrs. Tracey Robbins.

If you would like additional information about the program, or if you have further questions, please feel free to contact Katie Bolling, Nelson Glover, or Brian Wilson at 425-9301 or by e-mail at ksbolling@ortn.edu, nglover@ortn.edu, or bwilson@ortn.edu.

Please return the form below if you **DO NOT** want your child to be involved in this program. Tennessee law **mandates** that we have parental permission for students to be involved in this class. If we do not receive your opt out form, your child will be involved in this program.

Sincerely,

Mr. Phil Cox, Principal
