11. One and only one, electrical outlet will be available for one vendor to use during an entire flea market at the added price of \$5.00. The electrical outlet is located in the middle of the parking lot on the lamp post. NO jacks are permitted which allow more than one plug for the outlet, but extension cords are permitted. This policy is on a “first come, first serve basis.” The other outlet is needed to check electrical goods being sold to see if they work.
12. No fire pits are allowed to be used.
13. No boxes or goods should be left behind when you leave. Please clean your area and **put trash in the BFI dumpster close to the Turnpike. Please Do Not** put trash in the Chamber’s bin.
14. No metal or wooden trash containers are allowed in the BFI dumpsters.
15. Parking on the grass or sidewalks is prohibited; cars will be ticketed and towed at the owner’s expense. **Please follow the security guards directions for parking.**
16. Restrooms are located at the soccer fields. Keep them clean and use trash containers provided.
17. Carol Carr and Connie Wilson are employed by the ORHS Student Council and oversee the Flea Market. They have the authority to cancel a market or ask a vendor to leave. Their main job, however, is to sell business licenses to vendors that enable them to sell at this Flea Market.
