EPIC SOCCER BUDDIES NEEDED!

The AYSO EPIC program (Everyone Plays In our Community) provides athletes, ages 4 and up) with disabilities the support they need to fully participate in a quality soccer experience.

We need Buddies (youth 12 and over, and adults) to help the players one-on-one stay engaged in the games.

Our games are scheduled from 5:30-6:30 pm each Friday, March 22 through May 17 at LaSalle Park in Oak Ridge.

No experience needed. Training will be provided from 5:30-6:30pm on March 15 at First Presbyterian Church, 1051 Oak Ridge Turnpike. The only requirement is a desire to help children and adults with disabilities enjoy their soccer experience.
