Summer Art Camp

2024 Theme and T-Shirt

About the Camp

The EA Summer Art Camp is a day camp that provides a positive community for young artists to create and explore. Students will increase their art knowledge and develop skills in multiple art mediums during this exciting week. They will be surrounded by art, with peers and teachers who love art. Through self-expression, critical thinking, and perseverance, students will end the week with a portfolio of work they will be eager to share.

We celebrate ten years of *Exceptional Artist* this year by creating our favorite projects from the past decade. We will have an Arty Party Art Show on Thursday evening, displaying each student's best work.
