

ORS STEM Committee Agenda

Monday, August 8, 2022

4-5pm

- 1) Student STEM and CTE Survey Data Overview
- 2) Committee Discussion: How can we improve on the weaker areas of the surveys?
- 3) School STEM Share-Out
 - Do the schools have any upcoming STEM needs that community partners and/or parents can assist with?
- 4) Community Partner Share-Out
 - Do our community partners have any information or events that need to be shared with ORS staff and/or students?
 - Can ORS support our community partners in any upcoming endeavors?

*Please take the workforce survey for Dr. Cross which helps inform our CTE program.
